**Clinton County Regional Education Service Agency Special Education Millage Proposal**

This proposal will allow the intermediate school district to continue to levy the special education millage previously approved by the electors and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation of .2605 mill (\$0.2605 on each \$1,000 of taxable valuation), on the amount of taxes which may be assessed against all property in Clinton County Regional Education Service Agency, Michigan, to provide funds for the education of students with a disability, be renewed for a period of 20 years, 2025 to 2044, inclusive, and also be increased by .0517 mill (\$0.0517 on each \$1,000 of taxable valuation) for a period of 20 years, 2025 to 2044, inclusive; the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2025 is approximately \$873,448 from local property taxes authorized herein (this is a renewal of millage that will expire with the 2024 tax levy and a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963)?
